

Seaway Cruisers Classic Car Club

July 2014

Newsletter

At the Advance Auto Cruise-in, Sally Hartman is sitting Kyle's 1991 Chevy Cavalier, parked next to a 1994 Pontiac Sunbird.

Goody Giveaway

From the President

John Miller III

July is Car Show Month

Sunday, July 27th is the 54th Annual Seaway Festival Car Show hosted by the Seaway Cruisers Car Club. The car show is the main event for us and I'm "Calling All Cruisers" to help with some part. I hope everyone can help a little to put on a great car show and help to make the Seaway Cruisers a great car club. If every club member helps with something, it won't be too much work for a few.

We need to get together a few times in July before the car show (look for the July schedule in the newsletter). We are going to have a few Cruise-Ins with short meetings. We need to set-up the car show field and we need some cars for the Seaway Festival Parade.

We still need help with the Flea Market, call Kyle if you can help.

I'll have a sign-up sheet at each meeting.

I'm hoping for better weather for the car show this year.

"Still Cruisin'"

John Miller III

July Schedule For All Cruisers

Wednesday, July 16th – Goody Bag filling and Bar-B-Que at V.P. Linda Brown's at 6 p.m. (315) 375-6788 – please bring a dish to pass.

From the Secretary

Brandon Baldwin

The June meeting was June 15th at the Gas and Steam Engine show at the Madrid Museum. It was a perfect day for a festival and the increased number of people at the show reflected this. The number of people there appears to increase every year. Many members renewed their membership this day. The Seaway Cruisers, as a club, is a member of the Madrid Gas and Steam Engine Museum. George Cox, from the AACA, provided some car show information.

We still need someone to run the flea market at our car show on July 27th. Please contact Kyle Hartman for this.

Vendor prices for our car show are: \$10 for members (such as a person who would run the flea market) and \$22 for non-members.

Goodie Bag filling for our car show TBA, but will be on a Wednesday evening at Linda Brown's house again in Ogdensburg.

Ogdensburg parade is July 26th. More details on this are in this newsletter.

Field preparation for our car show, as always, is at the bridge to Canada on Thursday the 24th at 6:00 PM. Bring a sledge hammer this year.

Advanced Auto Parts Cruise-ins are every 3rd Friday of the month. (7/18, 8/15...)

Potsdam Car Show this year will be July 19th 10-3pm at SNELL HALL across from the Potsdam Library. Apparently, construction will be occurring in the usual place.

Also on Saturday, July 26th, in Parishville, the AACA will be sponsoring the car show at the fireman's field 10-3pm for the Bicentennial celebration. Fireworks are that evening.

Congratulations to our Seaway Cruisers who won the award for the "most participants for a car club" at the Car-B-Cue. This matters as many car clubs come and go, yet ours continues to be active. If you have ideas to make it even more successful, say something.

A Note From Kyle

"Thank you for the tools and tool chest that Dave presented to me on Father's Day. It is a great gift and helps me look toward the future!" said Kyle in a thank you note to Nat & Lois Wells, Sue Allen, David Hartman & Lariah, Melissa Marshall, Sally Hartman, John & Dawn Hewey and John Hewey Jr., and Roger Bailey.

David collected money from friends and presented his father, Kyle Hartman, with a new tool box and Craftsman Tool Set with organizer on Father's Day to help replace some of what was lost the Hartman's recent fire.

Our June meeting in Madrid

Ogdensburg Car-B-Que

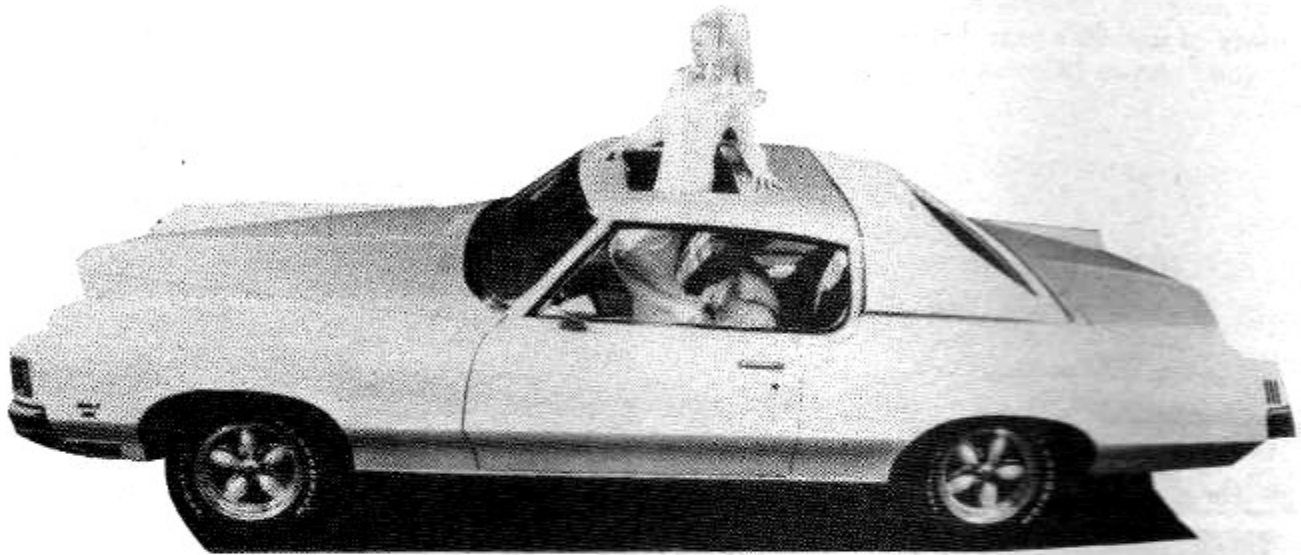

Request For Ideas

Brandon is requesting ideas of things that members may want to see at the SUNY Canton shop. Such as:

- Demonstration on how to buff the blurry headlight plastic?
- Demo on how an alignment is done?
- Something in electronics?
- What's your idea?

"Shifty" Hurst

1. What model year and make of car first offered Hurst shifters as optional factory equipment?
2. What was the first model year that Oldsmobile and Hurst teamed up on a production car?
3. What year did Hurst first offer their "Hurst Hatch" T-Tops?
4. What make and model car was the Hurst "Rescue System 1" vehicle?
5. What model year was the limited-edition Hurst Chrysler 300?
6. What is the real name of "Miss Hurst Golden Shifter" pictured above?
7. What model year is the SSJ Grand Prix she is standing in?
8. The 1966 "Hairy Olds" was powered by what unique engine set-up?
9. Who is known as the Hurst "Shifty Doc"?
10. What model year Barracuda bodyshell was first used for the famous "Hemi-Under Glass"?
