Submission Deadline

May 27, 2015 for June

From the President

John Miller III

It looks like spring is finally here! Is your old car ready for a cruise?

Saturday, May 16th we'll meet at the Ogdensburg Burger King parking lot at 8:30 a. m. At 9:45 sharp we'll cruise

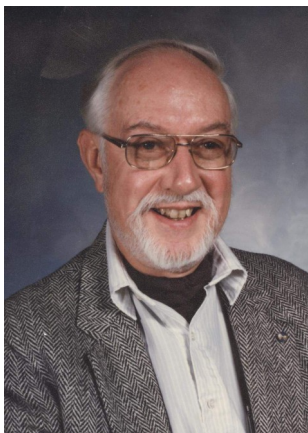

to Clayton, NY for the 1000 Islands Extravaganza car show. We'll take Route 37 to Morristown and Route 12 to Alexandria Bay and on to Clayton. We can pick up more members along the way. There is a lot to see and do at the show and downtown Clayton is only a few blocks away, have you been to the Antique Boat Museum?

We can have a club meeting at 2:00 p.m. at the Clayton show. I could use some help with the trophy sponsorship for our car show, I'll have some trophy sponsorship forms at the meeting.

We had talked about putting some baskets together for our car show to sell with the 50/50 tickets. I'm getting some car care things together to put in a wash bucket, and if any members could buy something we can make more baskets. I hope to see you at the 1000 Islands Extravaganza car show.

Till we cruise,

John Miller III

The Club extends their sympathy to President John Miller III for the loss of his father, and to the entire Miller family.

In Memory

John Marchal "Jack" Miller, Jr.

Tale From The Road

By William Bartlett

Back about 1951-52 my buddy and I were cutting pulp wood on the Spile Bridge Road

about 4 miles west of Heuvelton. At quitting time it was about 10 below and the car gas line was froze solid. We improvised by putting chainsaw gas into a small oil can and sat on the fender squirting gas into the barb all the way to town to get some dry gas and finally got it thawed out.

My Classic Vehicle

By Phillip Burnett

I own a 1947 Plymouth coupe. I have owned it since 2000.

How I got it was by purchasing it in Massena.

What is noteworthy about it? Original condition.

My First Vehicle

By Bruce Francey

What was your first vehicle? 1953 Studebaker Land Cruiser

How did you get it? From parents.

What became of it? Ended up on junk yard after we put in two motors.
