

Seaway Cruisers Classic Car Club

OGDENSBURG, NEW YORK

October 27, 1990

By this time, most of us have tucked away the old car in the garage, and have figured that the Seaway Cruisers were also put away for the winter, but you are wrong! On November 17th, we are going to sponsor the first annual 50's and 60's Dance for the car club. It is going to be held at the Elks Club in Ogdensburg, and in this envelope you will find a copy of the poster. The cost to the members is nothing more than to let every person you know that the dance is going on, and is a real bargain. One thing I would like to have each member do is to take the poster to where you work and post it. If you have access to a copier, make copies and put them up anywhere you can. Half of the money raised will go to the United Way of St. Lawrence and Franklin County, so it is for a good cause. If this works out as well as I hope, we will do this every year. If you are in a position to get door prizes, or are able to help around on your free time for them, I need help!!! Please call me as soon as possible. I do not have the time myself, and we need at least 10 door prizes for the people who show up. We are going to have a 50/50 raffle also. Any door prize will be welcome. It does not need to be related to cars. It can be a certificate for a pizza, gift certificates for a store, anything that can be carried out. On the night of the dance, we will have one of the members at the door to make sure you are a certified member, and can get in free (this includes one guest). The price for the public is reasonable, and the ads should hit WSLB and PAC-93 soon. The United Way is working on them, and also promised to write up an article for the Ogdensburg Journal.

Anyone who did attend the dance in West Potsdam will know how much fun the DJ was that was there. He is going to do just as good a job for us. There will be dance contests, and if you want to dress up in the greaser look, feel free (poodle skirts are accepted). This is our party, and it will serve two purposes. One is to get the car club together for a social function, and the other is to help out the United Way.

I need to find someone in Ogdensburg to run posters to the stores, as soon as possible. We need to have them out no later than the week before. If there is someone out there who has some spare time, please call me. In order to make this successful and make some money, we need some group participation. Call me at 393-2468 and let me know if you have time or can get some door prizes.

The trip to Sacketts Harbor this year for the car show turned out excellent. Eleven of our members went down, and we came back with eleven trophies, and Walt (Big Daddy Don) came back with an alarm system for his vehicle. The weather was nasty, but we had a good time anyway.

A few of the members went to Alexandria Bay, and said it was a nice show. They came back with some trophies from there also. Canton ATC turned out to be another cold and rainy day, but as usual, the college treated us very nicely, and fed us well. There were more cars than last year, and more of the car club members than last year.

I have heard through the grapevine that we have a new addition to our car club. Her name is Rachel Snider, and she want a 1961 car, just like her father! She is the daughter of Mark and Laura Snider, and joins her 2 brothers in Waddington. Congratulations to the Sniders!

This will be the only notification before the dance. We will not have a meeting until later on, with Thanksgiving coming up, and hunting season in full swing.

As I said, I need lots of help on this. I have extra posters, but the main thing will be getting some decent door prizes. Please call if you can give me a hand.

If anyone has any questions or suggestions, please let me know. If you have any items for sale, or if you are looking for anything, please get them to me for the next newsletter.

If you are looking for nice dry storage for your vehicle, Bob Layng has the warehouse in Ogdensburg with lots of room. Give him a call at Austin Layng Glass in Ogdensburg, and he may be able to help you out.

Try to make it to our party on November 17th, it is going to be fun! Bring your friends too. We'll see you then.
