

SEAWAY CRUISERS CLASSIC CAR CLUB

Newsletter Number 5

June, 1989

This is going to be a rather short newsletter, even though there is lots going on. We have had 3 events for club participation, the Massena parade was well attended, and everyone had an excellent time. Those who couldn't make it, the breakfast was great, the cars were numerous, and the day was nice. The Elks flag day parade was rather sparsely attended on Saturday, but the weather was rather doubtful. On June 18th, quite a few of us went to the Gouverneur car show, and despite the rain and rotten weather, we came away with a pretty good showing for the car club. We came away with two first place trophies (C.J. Johnson and Lee Jones), ~~two~~ <sup>one</sup> ~~three~~ <sup>two</sup> second place trophies (Al Wyman, ~~and~~ <sup>Dale Gano, Jr.</sup> Gary French), and two third place certificates (Colleen Bice and Bill Bogardus). Not bad for our first show! (By the way, CJ was the only one in his class, but you could see the effort in his work on the Chevelle)

The main reason for this newsletter is the upcoming meeting on 6/22/89 (Thursday) at 7:00 at Burger King. There are quite a few events coming up, and we would like to see as many members involved as possible. It is very hard to plan a group event when only 1/3 of the group is there. We would like to plan a picnic soon, and need some feedback from all of the members. If you cannot make it, please contact either Robin or CJ at 393-2468 and leave a message on the machine.

Please bring any want ads or for sale items when you come to the meeting. Also, if anyone has information on shows coming up, please bring it.

Hope to see everyone there!
